

CLINICAL PROFILE

Angelo Zhao is a dedicated professional whose goal is to provide a compassionate and informative environment for her patients to best collaborate with them in reaching their rehabilitation goals. She has notable success in the treatment of total shoulder, back, knee and hip rehabilitation both pre- and post-surgical, spinal injuries, stroke, osteoarthritis, and balance/ambulation deficits. For Angela, it's all about the guality of life, as she is passionate about optimizing movement and function. Working in partnership with each patient she creates innovative programs that challenge, strengthen, and restore. Angela believes that the human body has an amazing ability to overcome trauma, adapt to new challenges and recover from past/recent injuries. She greatly enjoys being an essential part of that rehabilitation journey for all.
